Silence.....on pause Relaxing Facial Mask

Award winning Relaxing Facial Mask wins award for a second year!

Suzanne aux bains Relaxing Facial Mask - silence... on pause has won the Best Mask for Combination Skin at Le Palmarès 2008 des Cosmétiques and Le Palmarès 2009 des Cosmétiques.

Le Palmarès 2009 des Cosmétiques is an esteemed industry competition that is revered by many cosmetic brands (129 brands), both traditional and organic with a jury made up by independent experts.

The Relaxing Facial Mask - Silence... on pause was measured by 5 criteria: Efficiency, Tolerance, Comfort/Texture/Perfume, Packaging, and Price and was awarded first place in the Best Mask for Combination Skin category for the second year.

"We are delighted to have the Relaxing Facial Mask - silence... on pause independently ranked by a subjective panel of experts. This award validates the brand, brings credibility to organic cosmetics, and reinforces our message to our customers about its benefits: security (organic) and pleasure (glamour) can work together," says **Romain Vitali, Founder, Suzanne aux bains.**
